

Do you need a doctor after hours?

**Call the After Hours Clinic at
☎ 070 - 346 96 69**

An After Hours Clinic is a place where you can get the same type of care you expect from your regular GP when his or her office is closed. The After Hours Clinic is open during the evenings and nights, on weekends and on official Dutch holidays.

NON URGENT COMPLAINTS	URGENT COMPLAINTS
<p>What are non-urgent complaints?</p> <p>bothersome, but not too serious complaints long-term complaints prescriptions no time to see your own GP</p>	<p>What are urgent complaints?</p> <p>sudden, intense pain, severe chest pains, worsening conditions of a serious illness acute disturbing symptoms</p>
Complaints that can wait	Complaints that can <u>not</u> wait
<p>call your own GP the next working day</p>	<p>call your <u>own</u> GP during the day and the After Hours Clinic at 070 - 346 96 69 during the evenings and nights, on weekends and holidays</p>

If you're in doubt whether your complaints are urgent or not, you can always call us for advice and assistance.

Please be informed that when you call us we need the following information:

- Citizen Service Number (if you have one)
- Information about the medication that you use (if any)
